Dear Paul:

I am pleased to write the CPA Exchange a recommendation for services. Paul Weinberg was instrumental in placing me with my current accounting firm. He was very knowledgeable about the current challenges of the Government contracting industry, the reporting needs of being an SBA firm, and sensitive to the needs of what MSA was looking for in an accounting firm.

With no pressure or cost to me, he set me up with a few interviews. The CPA Exchange didn't give up till I was completely satisfied with my placement. My current CPA firm is a dream come true, and has been instrumental in the growth of my business. Thanks to CPA Exchange I was able to find AWR!

Thanks again.

Sincerely,

Lillian Harris  
President
